Experience It! The Northern Lights

Each year, during the winter months, travelers journey to Iceland and venture out into the dark to see the magical but elusive northern lights (aurora borealis). This natural phenomenon is the product of collisions between electrically charged particles from the sun that enter the earth's atmosphere; the results are spectacular. Streaks of colorful light appear across the sky. The colors can vary from white to pink or purple and, most commonly, green. It is known that the best time to witness the lights in Iceland is from late September to mid-April, when the nights are the longest. This light show is truly dazzling and worth the pursuit.

Because the northern lights are a winter event, you will be walking and waiting outdoors while looking for them. It is recommended that you wear sturdy non-slip snow footwear and warm clothing including thermals, hat, scarf and gloves.

Included activities are subject to change due to inclement weather.

Icelandic breakfasts are continental; included dinners are of a simpler nature due to the remote locations of the restaurants.

Single accommodations are limited and are available on a first come, first served basis.

Coaches which may not be lavatory equipped may be used on this program. In this case, stops are made during travel periods. Due to the remoteness of the sites we visit, the travel time between restrooms may be up to 2 hours.

Most natural sites such as waterfalls, beaches, lava fields require walking on unpaved, uneven surfaces rendered slippery by ice and rain. Sturdy footwear and ice crampons are required if you plan to walk in these areas or approach the waterfalls.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (1-2 hours) isn't a big deal. You can navigate hills and uneven ground, climb into various modes of transportation (tuk-tuk, cable car, Zodiac, etc.), and could possibly anticipate changes in elevation. You can expect some longer days balanced with free-time to recharge or set out on your own adventure.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Due to flight schedules, a post night may be required in some Icelandair gateway cities (at an additional cost). Please inquire at time of reservation.

Centerhotels is a hotel chain in Iceland. The exact hotel to be used while in Reykjavik will be available 60 days prior to your departure date.

Due to tour scheduling, arrival flights should arrive prior to 10:00 a.m.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.

A deposit of \$600 per person is due upon reservation. Reservations are made on a first come, first served basis. Reservations made after the deposit due date of May 23, 2021 are based upon availability. Final payment due by September 30, 2021. Deposits are refundable up until May 30, 2021.
